

Pennsylvania Whistleblower Act

The Organization complies with Pennsylvania's Whistleblower Act (43 P.S. § 1423). If you are concerned that any policy, practice, or activity undertaken by the Organization, or any individual employee of the Organization, is unlawful, fraudulent, or violates a public policy of Pennsylvania, please report that concern to a supervisor, manager or your Supervisor. The Organization will not retaliate or permit any reprisals against any employee who makes a good faith complaint of objectionable conduct. Complaints will be investigated by management and appropriate remedial action taken if warranted.
